BILL HAMILL

10 November 1928 - 27 December 2004

Hamill's fishing and hunting, Nelson, New Zealand

Hamill's Killer trout fly is a very popular lure that represents a small fish such as a bully. It is also a good fly for harling around weed beds.

- Sizes 6 - 10

- Wet fly

- Related fly: Mrs Simpson:

- Represents: bully and dragon fly nymphs

Lake Rerewhakaaitu

New Zealand

- Lake R is 30 km east of Rotorua and at the foot of active volcano Mount Tarawera
- Bay of Plenty Region

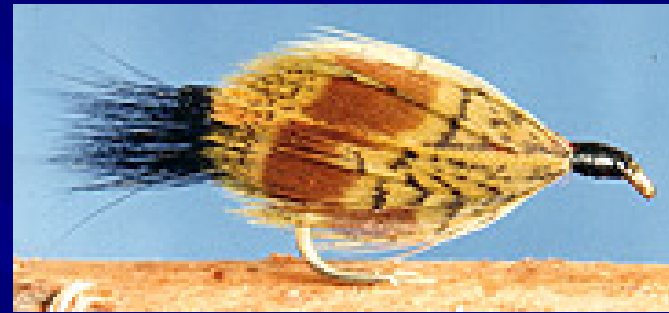

The Killer Style Fly

- Special style-since 1930s
- Feathers on each side must be carefully matched or the fly will spin/twist in the water
- Key is BALANCE

Mallard Killer
